

NO RAGE      by Oscar Treadwell

Red BMW Z8 Altina  
Eases in front of a truck-van  
Waiting for the light.

Trucker mouths epithets,  
Bumps the Altina.

Handsome Driver  
Swings from his seat,  
Walks back to the truck-van

Asks trucker for his licence.

The trucker violently swings  
His cab door open,  
Catching the handsome driver,

Chest high,  
Knocking him to the ground.  
The handsome driver,

Reaches into his pocket  
And draws a snub-nose 38.

Trucker yells, "Wait a minute!"

Just before two rounds  
Tear into his vest.

The handsome driver  
Slides into his bucket seat  
Waits for the light.....leaves skid-marks.
