Hey O.T. whatcha gonna do  
Read a lot and goof off too  
Travel to an island, look for a cutie  
Or get new digs and spend your bootie

Or will you do the thing you know the best  
Listen to jazz and all the rest  
Find a horn, and a good 'ol mic  
And a radio station that wants your psych-che

Key, key that's the groove hey  
What about the WVXU way  
News and views and jazz to boot  
Get un-retired, get a brand new suit

Find yourself a weekly heaven  
Sunday nights, nine to eleven
